This month's free audio message by Ty Gibson is entitled, *Territorial Forces*. Arising out of his recent trip to Thailand, where he encountered the Thai belief that unseen spiritual beings preside over assigned territories—such as homes, cities and nations—Ty explores what the Bible says on the topic. You will discover that, in fact, Scripture does teach that there are territorial forces that fight for dominion over human individuals and communities. And you will be greatly encouraged to learn that God has chosen you and your home as His specially held territory in this demon-infested world.

Please send me the FREE offer, *Territorial Forces*, by Ty Gibson.
